

Payment terminals · Self-service kiosks

WizarPOS D22

Self check-in, ordering and payment without the queue, with a built-in terminal.

Product code: SPC-PT-D22-01

The D22 is a kiosk with a 21.5" touchscreen and a built-in Q3mini payment module. In a hotel, guests check themselves in and pay or leave a deposit; in a restaurant, they order and pay without queuing. The kiosk includes an 80 mm printer and a 1D/2D code scanner, and can be wall-mounted, floor-standing or placed on a counter. Combined with the SPACE platform and a card encoder, check-in can end with a guest-room access card (delivered as a project).

Where it fits

Hotel self check-in · Restaurants and quick service · Venues and services

Pre-authorisation

Pre-authorisation and incremental authorisation (as specified by the manufacturer): hold an amount up front and settle what was actually used. Availability depends on the payment application and the acquirer.

Card acceptance

Accepts Visa and Mastercard cards (contactless and chip, via the Q3mini module) and mobile wallets – subject to the acquirer.

Key features

21.5" Full HD screen

IPS touchscreen, 1920 × 1080.

Built-in terminal

Q3mini payment module: chip, contactless and e-wallets.

80 mm printer

Thermal printer with auto-cutter.

1D/2D scanner

Bookings, vouchers and QR codes.

Three mounting options

Wall-mounted, floor-standing or countertop.

Deposits

Pre-authorise at check-in and settle at check-out (per manufacturer).

Manufacturer data (WizarPOS) as of October 2026. Certifications are as declared by the manufacturer and apply to specific models and hardware revisions; certificate numbers are available on request. Specifications are subject to change.

Technical specification

PLATFORM

Processor	Cortex-A53 quad-core, 1.6 GHz
Memory	4 GB RAM + 64 GB Flash
Display	21.5" IPS Full HD 1920 × 1080 touchscreen
Audio	2 speakers

PAYMENTS

Payment module	WizarPOS Q3mini (chip, contactless, e-wallets)
