WizarPOS Q3PRO

A large 6.5" screen in your hand, or on a stand as a customer-facing PIN pad.

Product code: SPC-PT-Q3PRO-01

The Q3PRO combines a payment terminal with a sales tablet. On the restaurant floor it takes orders and payments at the table; at a hotel front desk it handles check-in and takes the deposit; on a stand at the counter it works as a customer-facing PIN pad. An optional Zebra scanner and magnetic stripe reader extend it to retail and logistics.
